What were you and Oriandra thinking, trusting Leythen to help us translate the ancient language? I can feel it. Then you took Leythen, an earl in the Court of Bedlam, prisoner. Player And what does the Court of Bedlam get out of all this? Ritemaster Iachesis Be prepared for anything. The player and Darien fight off some more Daedra who were protecting the portal. You do remember I'm a prisoner here, don't you? We're supposed to be allies! Why would she want to stop me from reading that ancient inscription? I remember Nocturnal's creatures moved aside to let me pass. I'd like to chat with our friend. We're intruders in Evergloom. Ritemaster Iachesis Val ... promise me ... you'll lead them ... if .... First the abyssal pearl allowed the Sea Sload and Mephala to invade the Psijic island. I can't believe Nocturnal's earl interfered like that. And then she was gone. Why do you ask? Darien Gautier Oh yeah. I suppose I can appreciate that, but kindness won't help you in the coming war. Where she offered to aid me in my struggle against the Sea Sload K'Tora. Perhaps I'll remember more after we use the portal. They want you to find the Heart of Transparent Law. Darien Gautier I wish I knew the answer to that. Keep going. Player I understand you're good with languages. Oriandra I'm not sure there is another way. Remember, though, our primary goal is to recover the Heart of Transparent Law. Player Let's go get the Heart back. It may actually predate the languages of Tamriel. Iachesis is bent over, breathing heavily. Earl Leythen Finally! I've reestablished my connection to the rune. Ritemaster Iachesis I remember I tried to maintain a sliver of control. The Queen's Decree Queen Ayrenn ordered the once-forbidden island of Summerset to open its borders and welcome outsiders to its expansive shores. Earl Tundilwen I wish to maintain the balance of power among the Daedric triad. My memories ... it's like a rush of water, all jumbled and confused. Valsirenn Ritemaster ... damn it! Hang on, I'll get us out of here! Darien Gautier Dawnbreaker will protect us! I hope. I had a brief moment to examine the inscription before Nocturnal's earl usurped our connection. Earl Leythen You and Iachesis, always sticking your noses into places they don't belong. Haven't you seen them since they were reunited? Of course to do this, all obstacles must be cast aside—including the other Daedric Princes. And now I can't seem to reach her. Darien Gautier My sword! I just fixed that! Nocturnal The Heart is mine and soon the Crystal Tower will belong to me! I no longer need Mephala or Vile. Ritemaster Iachesis My preparations included numerous wards of protection. Oriandra I'll let the Ritemaster know what I proposed. Player I'll go and talk to Darien. We wouldn't be a part of something that didn't add to the greater good. Player So you didn't die? The Ritemaster ... Iachesis ... he's the best of us. Yes, I am a master linguist, specializing in ancient and obscure languages. Oriandra Not derived from Ayleid, though I see a possible correlation to Daedric linguistic patterns ... Who? But the wards won't hold long against our power! Clavicus and Mephala begin summoning waves of Daedra as they tear back and forth at Iachesis, sending him through the air between them. And took my damn sword! Oriandra This doesn't make any sense! What happened to the Ritemaster? I suppose the Ritemaster sent you to see how my research was coming along? Blackfeather Crow He doesn't remember! So desperate he was, he leaped at our Mistress's offer! Ritemaster Iachesis Speak plainly, crows! Come back here! Valsirenn Iachesis, calm down. Honesty and a shrewd tactic. Not like a test or anything, though, right? I'll tell you this. Something about crows. He was our language expert. Player As Oriandra collects herself, the player speaks briefly with their two companions. Darien Gautier Questions? It wasn't anything like I originally imagined. (If the player has previously met Darien, but not completed the main quest of ESO) Player Of course I remember you. But when my daughter was dying, when she was crying for her mother's comfort, Val wasn't there. In private. I think I know what some of the words from the Ritemaster's memory mean. Every moment the Crystal Tower remains incomplete, another protection falls away. It's doing something to him. I should find him and talk to him. Besides, this sea air is good for the skin. I can appreciate that. (If the player has completed the main quest of ESO) Player Of course I remember you. Player You knew exactly when and where to contact me. But where is the pretty crystal he carried last time? Player It sounds like the triad of Daedric Princes isn't as united as we thought. How do we beat the triad now? I'm not usually the skittish sort, but those crows are starting to creep me out! Valsirenn The crows ... they implied that the Ritemaster accepted an offer from Nocturnal. In retrospect, though, I might have done the same. Let's proceed and hope for the best. I can translate it, but I need more to work with. The Sea Sload. Player What did the crow mean by "the featherless one walks the path once more"? I wonder why Nocturnal decided to share this information? It is bad! I'm sorry Nocturnal killed the old man. Player You hid the Heart of Transparent Law in Nocturnal's realm? My memories have been hazy of late. Tell me what Nocturnal's earl said to you. And my loyalty is strong. By the Spinner's holy webs, when did I become an insufferable arse? He was a Breton, but I never met my mother. Darien Gautier Meridia told me about the triad of Daedric Princes. Mephala Nocturnal? She was still in Sotha Sil's study, examining a paid of books floating before her. As an earl in the Court of Bedlam, believe me when I say that Leythen isn't being totally honest with you. Darien Gautier This might sound like a strange question. I do know the language is not native to Tamriel. Player Satisfied with the knight's answers, the two of them head down to the Dreaming Cave where Iachesis and Valsirenn are waiting for them. There are 3 Crafting Set Stations in Summerset, discovering them is necessary for Zone Completion. Darien Gautier I'll show you power, you monster! Nocturnal The sword of light. When they arrive at the other side, they find themselves in a dark forest with a purple sky streaked with meteors. Quest starts in Artaeum in College of Psilics Ruins. A High Elf told me that a Khajit named Razum-dar is up ahead and might need some help. I'll help you because the Court needs to find the tower crystal as much as you do. As much as it pains me to admit, my many years are finally catching up with me. And godhood for the Court, as befits beings of our stature. Hmm, not yet, but the inscription is nearby. You'd think they'd get bored with all the forlornness and tribulation. I've even set wards that will help protect me from the Daedric Princes. All right, you've piqued my interest. If so, I'm not familiar with the technique. I sense something else, though. Player Should we keep going? There, Oriandra is waiting. I can feel the powerful magic that permeates this place. Valsirenn Your wounds, they're just ... gone! Darien Gautier I've always healed fast. Val, Mephala and Clavicus are banished from the Evergloom, and Nocturnal alone is left holding Iachesis prisoner. They should allow me to resist even the magic of a Daedric Prince, at least for a short amount of time. Meridia was there. Now it breaks my heart to see them like this. Very well, I'll play along. Player The crew reaches another flock of crows, who again taunt Iachesis. Now nothing you discovered can be trusted. Nocturnal tore it out and killed him. Player The Ritemaster heard these words, but we can't translate them. Player Nocturnal's earl said that the ancient phrase is a spell. Step through the portal when you're ready, but be prepared to face our most dangerous battle yet. Ritemaster Iachesis Silence, Leythen! Need I put you in chains to remind you of your status here? I'm really getting good at stumbling into the realms of hostile Daedric Princes! Let's do what we have to do and get out of here. You can decide what you want to fight for. After that? Offering to help me hide the Heart away in a place that no one would ever find it. Val threw herself into her work after that. Earl Leythen Right. Player I'm ready. You have no power here. Oh, and I wanted to let you know that I was able to repair the Dawnbreaker. Oriandra I don't believe it. Smart, sweet, and full of energy.
